"Go out, don't miss out."

A real-time nightlife app that shows you the best bars, parties, and events around you—so you always know where to go.

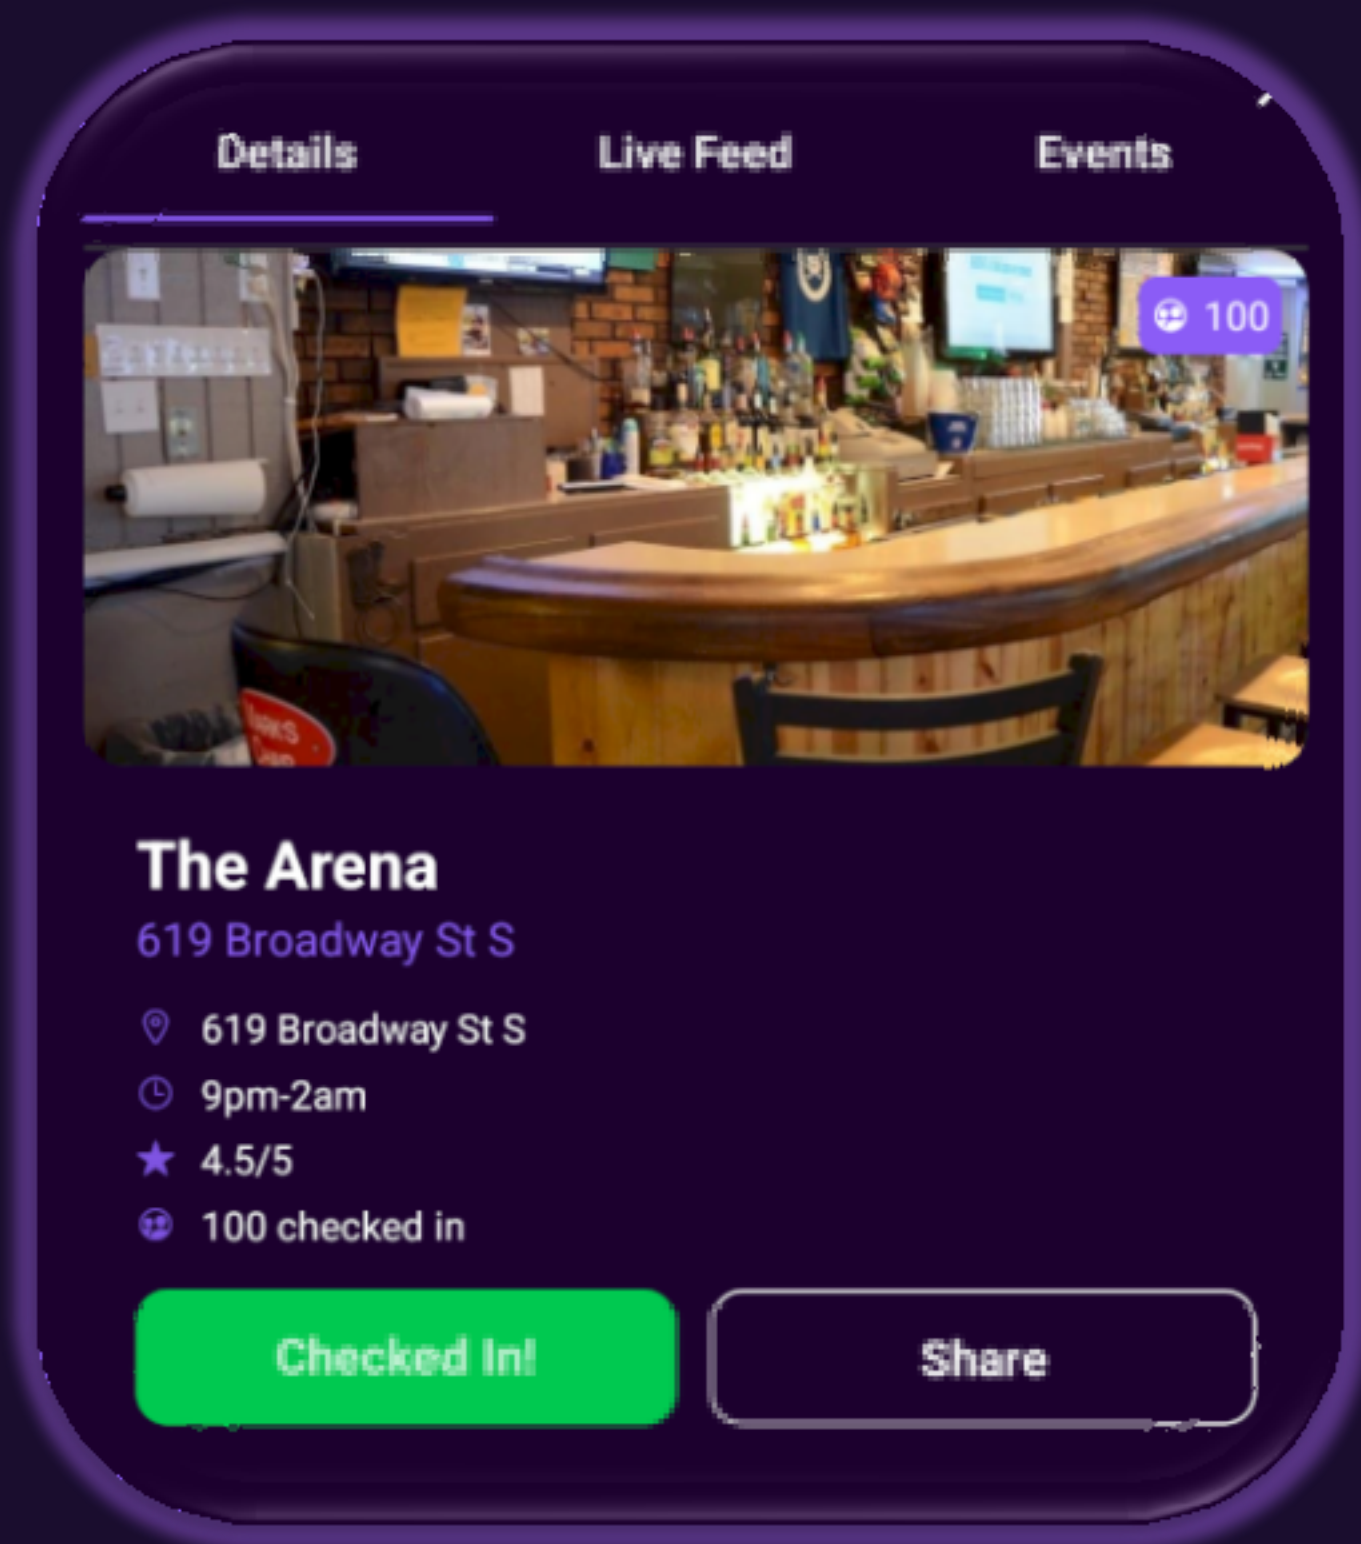

Interactive Nightlife Map

See bars, parties, and events around you in real time.

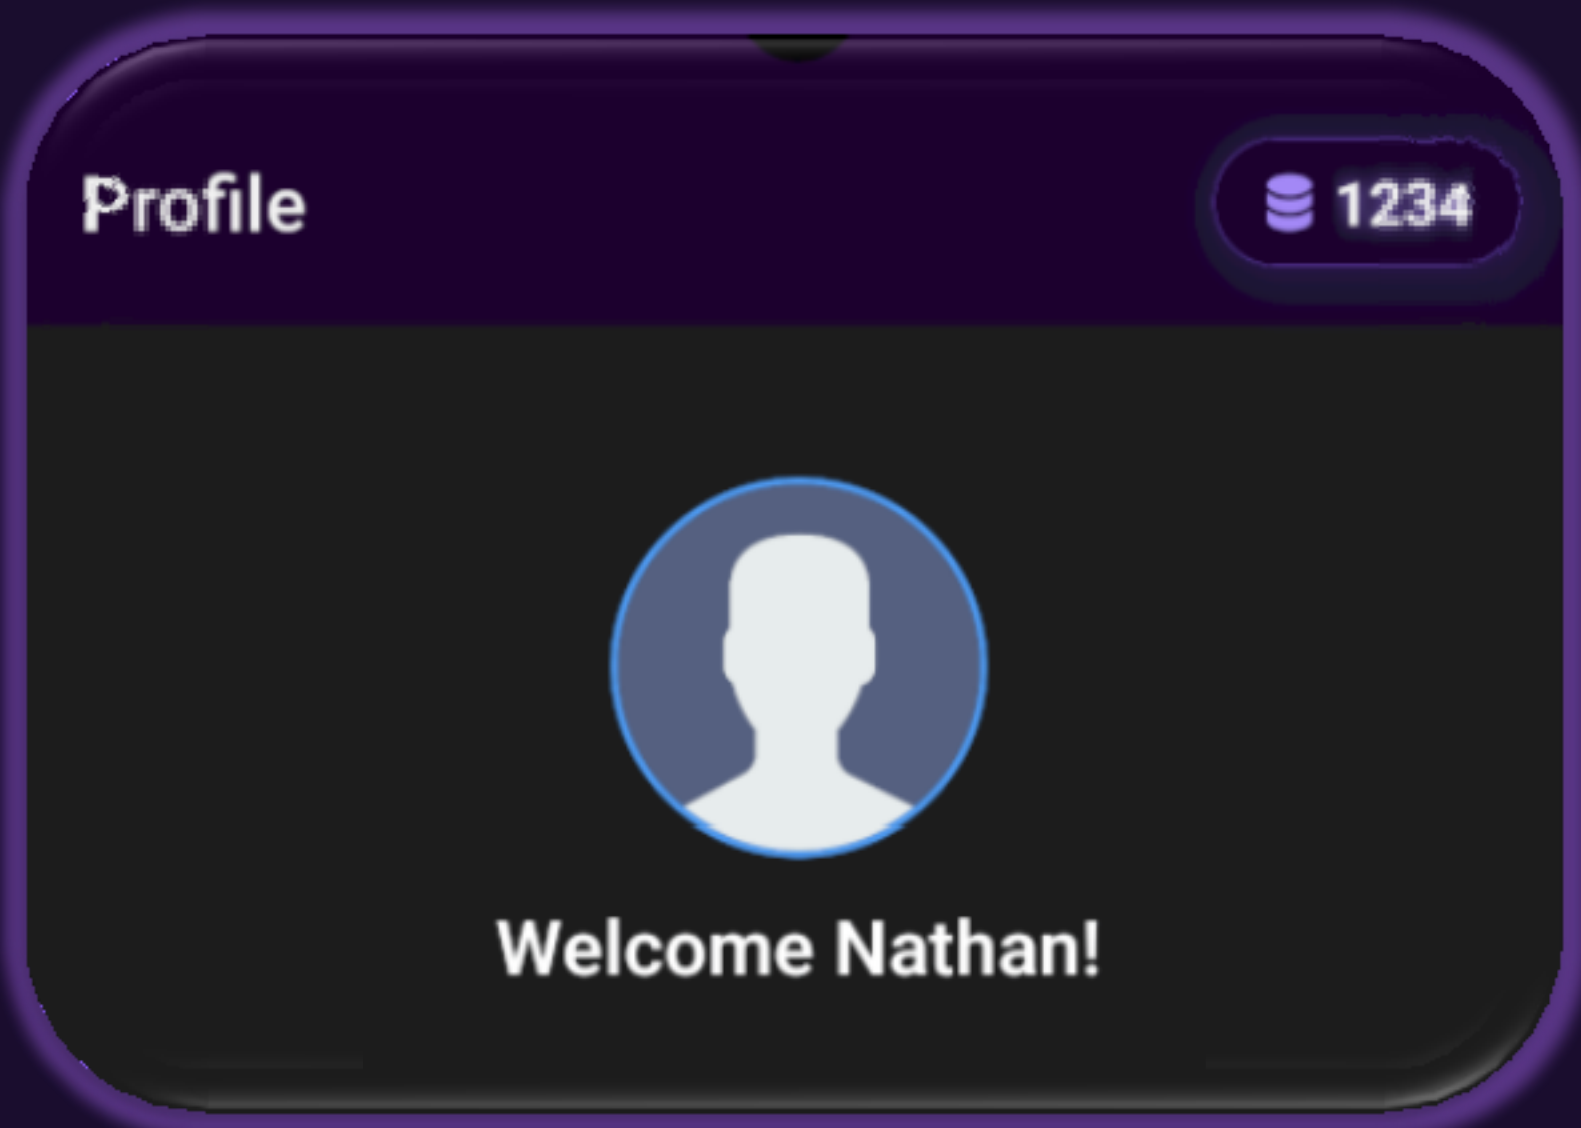

Live Event Feeds

Chat anonymously with people at each spot to see the vibe before you go.

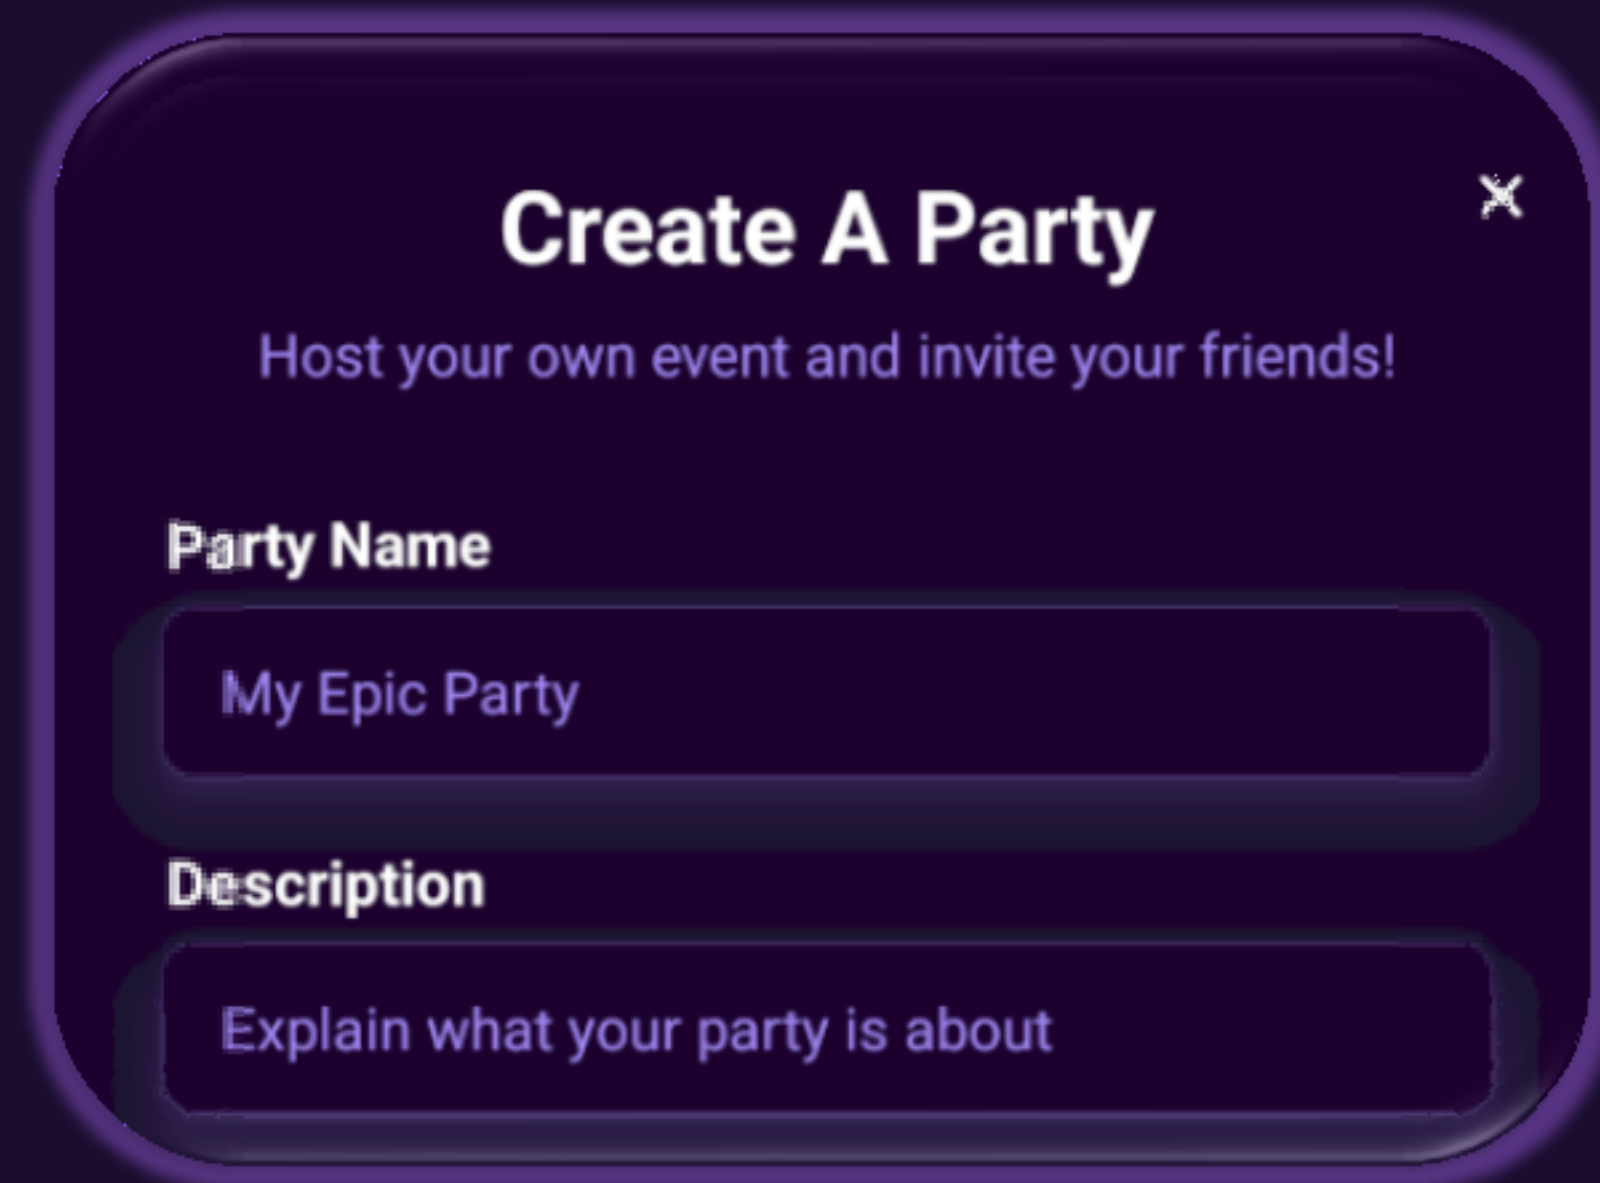

Check In & Invite

Check into bars to join the live feed and invite your crew so no one misses out.

Level Up Your Night

Earn points, unlock badges, and climb the leaderboard with your friends.

Host Your Own Parties

Put your event on the map for everyone to discover.
